4	MiniPAR OG	4
5	Studio-Scheinwerfer 2.OG	5
6	Lichterkette EG	6

Desk at the Venue: Chamsys MagicQ 40.

Free univers 2 output and 2x Cat 6a output behind the stage (from FOH).

We have a few filters for the ETCs (don't expect everything) and some clamps or floorboards for the Stripes and Colorbeam-Leds.

If you can't finde the fixture of the Colorbeam on your console use "OXO Multibeam RGBW 8 Channel".

Contact Venue: Tom Binggeli (+41)0793788176

Contact Lights: Robert Hofer (+41)0792172127
